Email

1. Go to: <http://app.bcforestsafe.org/upload/>

Upload files to BC Forest Safety.

This page will transfer upto four files to the BC Forest Safety Council. After uploading, it will send a confirmation email to a Council representative letting them know the file has been uploaded for them.

Large transfers may take several minutes after hitting the upload button, but the status at the bottom of the page will let you know when it has successfully completed. Current file transfer limit is 190MB.

Please chose the files from your computer that you wish to send to us (Note: this will only copy it, not alter your original file in any way.) If you cannot browse for files, please try this page in another browser or check your browser's security settings.
